

my financial timeline

Simply plot your financial goals with this ready-made timeline, so you can focus on working hard to achieve them. You can click to type in the correct fields to fill out this table with your PDF reader, or print this file to complete the table by hand.

Long-term goal	Total savings	When by?	1st mini-goal	Date completed	2nd mini-goal	Date completed	3rd mini-goal	% of long-term goal completed	Long-term goal met?	Notes: e.g. what you've learnt or ideas for the future
----------------	---------------	----------	---------------	----------------	---------------	----------------	---------------	-------------------------------	---------------------	--

Keep your financial timeline somewhere handy, so you'll be reminded of what you need to do to reach your goals regularly. Why not save it to your desktop, or stick a printed copy on your fridge?
